Press Release

Homicide Investigation in Quincy

Contact: D. Traub, 781-830-4917

Quincy and Massachusetts State Police detectives assigned to the Norfolk District Attorney's office are investigating an apparent firearm homicide overnight, according to Norfolk District Attorney Michael W. Morrissey and Quincy Police Chief Paul Keenan.

QPD was called to the area of 5 Crown Drive at approximately 12:40 a.m., (August 18, 2022). Responding officers encountered Jordan Wiggins, age 32, and a resident of the building at 5 Crown Drive, with obvious gunshot wounds in the area of the stairwell leading from the apartment building's parking area to the residences.

He was transported to an area hospital for emergency treatment but did not survive his injuries.

Quincy and State Police have been conducting interviews and working through the night. Massachusetts State Police Crime Scene Services Section responded to process the scene for potential forensic evidence.

The Office of the Chief Medical Examiner may conduct an autopsy of the victim as soon as today. Law enforcement does not believe there is any ongoing threat to neighbors in the area. The investigation remains open and ongoing.
