## Press Release

# DA MORRISSEY ANNOUNCES PROM & GRAD SAFETY GRANTS

*Contact: David Traub, District Attorney Michael W. Morrissey's Office, 781-830-4800 x 217*

To help keep students safe during prom and graduation season 2011, the Office of Norfolk District Attorney Michael W. Morrissey will help to sponsor safe, responsible, and alcohol-free post-prom and post-graduation activities and events administered by local school systems, parent groups and community organizations.

As part of his "Project Prom Sense" and "Operation Graduation" programs, D.A. Morrissey will provide up to \$250 in grant assistance to local communities to support qualifying safe, post-prom and post-graduation activities.

"The high-school parents and community organizations that coordinate these types of events should be commended for taking such a practical approach to prom and graduation safety," stated D.A. Morrissey. "They deserve our support."

Grant funds will be used to supplement revenues raised from private and other sources. To learn more about D.A. Morrissey's "Project Prom Sense" and "Operation Graduation," please contact the District Attorney's Juvenile Unit at (781) 830-4800 x285.

*Any and all defendants mentioned are legally innocent until proven guilty.*
